AquaBioTech Group named as one of Europe's best in first ever 'Ones to Watch' list

AquaBioTech Group has been named as 'One to Watch' in Europe in a list of business excellence published by the **European Business Awards** sponsored by RSM.

AquaBioTech Group was chosen as it demonstrates exceptional achievement in one of the 12 **European Business Awards'** categories and reflects the programme's core values of innovation, success and ethics.

Adrian Tripp, CEO of the **European Business Awards**, Europe's largest cross-sector business competition, said: "We wanted to recognise more widely the many incredible business success stories from across Europe."

AquaBioTech Group was chosen as it demonstrates exceptional achievements in one of the 12 **European Business Awards'** categories and reflects the programme's core values of innovation, success and ethics.

AquaBioTech Group competes in the category " **Award for Innovation** " of the European Business Awards to become a National Winner in their country. If successful, they will then take part in the grand final in May 2018, where the final 12 European winners will be announced.

Adrian Tripp, CEO of the **European Business Awards** says: "*We wanted to expand on what we have done in the past and recognise more widely the many incredible business success stories from across Europe.*"

Over the past two years, **AquaBioTech Group** has accomplished remarkable achievements that include doubling of its revenues, increasing of its staff by 40%, expanding its research capabilities and the successful penetration in new markets. "*What makes all of this special is that it was achieved by organic growth, driven by a team of highly motivated people. We believe that our journey has just begun and we are looking forward to years of exciting growth which lie ahead*" says Pierre Otto CFO of **AquaBioTech Group**. About the European Business Awards:

The European Business Awards' primary purpose is to support the development of a stronger and more successful business community throughout Europe.

The European Business Awards programme serves the European business community in three ways:

- It celebrates and endorses individuals' and organisations' success
- It provides and promotes examples of excellence for the business community to aspire to
- It engages with the European business community to create debate on key issues

The European Business Awards is now in its 11th year. Last year it engaged with over 33,000 businesses from 34 countries. Sponsors and partners include RSM, ELITE and PR Newswire.
