Immediate Vacancy

Maintenance Technician

The **AquaBioTech Group** is seeking to employ a **Maintenance Technician** to conduct general maintenance and engineering work at its own facility in Malta. This individual will also be responsible for the collection and delivery of equipment and other goods, in various locations around the island.

Synopsis of position offered

The successful candidate will be responsible for the general maintenance of the building as well as assist the different departments with a variety of tasks. These responsibilities may include, but are not limited to:

Maintenance Tasks

- Installation, repair and maintenance of electrical and plumbing equipment
- Service and repair of general machinery and appliances
- Painting, plastering and completing other construction projects
- Performing general handyman works and ad hoc tasks (i.e. furniture assembly)

Driver Tasks

- Collection and deliveries of items and documentation throughout Malta (categories: electricals, lab consumables, office supplies etc.)
- Collection and delivery of shipments
- Quality / quantity check of inbound shipments
- Packing and loading of outbound shipments including container loading
- Arranging administrative, maintenance and repair duties related to the company vehicles
- Liaising with public organisations for issuing of permits

Reporting directly to the Head of Installations, the position is demanding requiring a person who is highly motivated, self-organised, possesses a high level of integrity and discipline with a strong work ethic and able to establish and maintain effective working relationships with the rest of the team. The selected person must be prepared to work to very tight deadlines in isolated and multi-functional projects and in conjunction with a team of international staff based at our head-office in Malta, as well as staff who are working at our foreign project sites.

Job Description		Ad No:	ABT 04 / 20	Rev #	1.1	 <small>\\Filesrv\hr\HRAdminFiles\HRDocuments\HumanResources\JobAdverts\2020\ABT-04-MaintenanceTechnician-18-Dec-19.docx</small>

Qualifications Overview

The successful candidate must have a solid background in maintenance, construction work or any other similar position.

The selected candidate will have to speak and write English fluently. Knowledge of any other languages would be considered an asset, although not essential. The selected candidate must have a clear passport with no travel restrictions, no legal convictions held at any time and be in possession of a clean driving licence.

Financial Package

The successful candidate will be offered a long-term, fixed-term contract with the company. The starting package offered for this position will be structured largely upon the chosen candidate, reflecting the experience the candidate brings to the company, but also in line with the cost of living in Malta and could include an accommodation package, if required.

Application Procedure

Further information about the **AquaBioTech Group** and the services we offer can be viewed at www.aquabt.com. Applicants are required to submit a full *Curriculum vitae* in the **AquaBioTech Group** Europass format that **must** be downloaded from our website – **no other Cv formats will be accepted**. Questions about the application should be directed to the Human Resources Manager, on hr@aquabt.com
